

Deep Learning for Image Analysis

Monday 2 June 2025

Introduction to DL and classification: Lecture and getting started (09:00 - 12:00)

time	[id] title	presenter
09:00	[1] Lecture: Intro to DL for microscopy, classification and PyTorch	
10:30	[2] Getting started	

Introduction to DL and classification (12:45 - 17:00)

time	[id] title	presenter
12:45	[3] First exercise: Cell classification	
16:15	[4] Recap first exercise
