

Deep Learning for Image Analysis

Wednesday 4 June 2025

Transfer Learning & Cell Segmentation (09:00 - 12:00)

| time | [id] title | presenter |
|-------|--|-----------|
| 09:00 | [7] Lecture: T Transfer Learning & Instance Segmentation: CellPose. Data Annotation: Segment Anything. Other tools for DL in microscopy. | |
| 10:30 | [8] Work on third exercise | |

Transfer Learning & Cell Segmentation (12:45 - 17:00)

| time | [id] title | presenter |
|-------|-------------------------------|-----------|
| 12:45 | [9] Third and fourth exercise | |
