

Session Program

29 June 2026 to 1 July 2026

Quantum Thermalization: Emerging Paradigms and open challenges in Nonequilibrium Physics

Scientific Talks

Convention Centre by the Observatory
Geismar Landstr. 11b 37083 Göttingen

Monday 29 June

14:15

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

15:45

16:30

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

18:30

Tuesday 30 June

09:00

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

10:30

11:00

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

12:30

14:15

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

15:45

Wednesday 1 July

09:00

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

10:30

11:00

Scientific Talks

Session | **Location:** Convention Centre by the Observatory, Geismar Landstr. 11b 37083 Göttingen

12:30
