

Interdisciplinary Intersectionality in (Theoretical) Physics

Wednesday, 22 March 2023

In-person Session: Welcoming Remarks - Emmy-Noether-Saal (12:45 - 13:00)

In-person Session: Minna Salminen-Karlsson - Emmy-Noether-Saal (13:00 - 14:30)

time	[id] title	presenter
13:00	[2] Not Every Genius Becomes a Noble Prize Winner: Contexts and Conditions for a Career in Physics	Prof. SALMINEN-KARLSSON, Minna

In-person Session: Lucy Avraamidou - Emmy-Noether-Saal (15:45 - 16:45)

time	[id] title	presenter
15:45	[4] Gender Studies in Science: Literature Review in the Past 10 Years	Prof. AVRAAMIDOU, Lucy

In-person Session: Valeria Cernei - Emmy-Noether-Saal (16:45 - 17:15)

time	[id] title	presenter
16:45	[5] Epistemic (in)Justice in Physics: Who Knows?	CERNEI, Valeria

Thursday, 23 March 2023

In-person Session: Carolina Vidor - Emmy-Noether-Saal (11:30 - 13:00)

time	[id] title	presenter
11:30	[7] Explorations of inner and outer universes - Sensing/thinking physics	Dr VIDOR, Carolina

In-person Session: Jaclyn Bell - Emmy-Noether-Saal (14:00 - 15:00)

time	[id] title	presenter
14:00	[8] Supporting first-generation and low-income students to succeed at University	Dr BELL, Jaclyn

In-person Session: Nelly Marosi - Emmy-Noether-Saal (16:30 - 17:30)

time	[id] title	presenter
16:30	[12] Queer in STEM and Queering STEM
